If the Escrow Agent does not receive on or before the twentieth day following delivery of the written notice to the Escrow Agent a written notice of objection (the “Objection Notice”) from Purchaser, which Objection Notice, among other things, may set forth that Purchaser is electing to require Seller to seek further appellate review of such ruling of the Appeals Court in accordance with Section 3.3 of the Purchase

Agreement, the Escrow Agent shall be authorized to so draw on the Escrow Document to the extent provided in such written notice. If the Escrow Agent receives the Objection Notice within such 20-day period, it shall continue to hold the Escrow Document and not distribute the same except pursuant to paragraph 2(b) or (c) hereof.

(b) If at any time after the date hereof and on or before August 31, 2009, the District Court Sun Agreement Judgment is reversed and/or remanded in whole or in part by the Appeals Court as a result of the Appeal, then the Escrow Agent shall continue to hold the Escrow Document and not distribute the same except pursuant to paragraph 2(b) or (c) hereof.

(c) Seller and the Escrow Agent hereby acknowledge and agree that the right or obligation of Seller and the Escrow Agent in the name of and on behalf of Seller to draw on the Escrow Document and use the monies so drawn is subject to the terms and conditions of Section 3.3 of the Purchase Agreement.

4. It is agreed that the duties and obligations of Escrow Agent are only such as are herein specifically provided and no other. Escrow Agent's duties are as a depository only, and Escrow Agent shall incur no liability whatsoever, except for its willful misconduct or gross negligence. Escrow Agent may consult with counsel of its choice, and shall not be liable for any action taken, suffered or omitted by it in accordance with the advice of such counsel. Escrow Agent shall not be bound in any way by any other terms of any other agreement to which Sellers and Purchaser are parties, whether or not Escrow Agent has knowledge thereof, and Escrow Agent shall not in any way be required to determine whether or not any other agreement has been complied with by Sellers or Purchaser or any other party thereto. Escrow Agent shall not be bound by any modification, amendment, termination, cancellation, rescission or supersession of this Agreement unless the same shall be in writing and signed jointly by Sellers and Purchaser and agreed to by Escrow Agent. In the event that Escrow Agent shall be uncertain as to its duties or rights hereunder or shall receive instructions, claims or demands which, in its opinion, are in conflict with any of the provisions of this Agreement, it shall be entitled to refrain from taking any action other than to keep safely, all property held in escrow until it shall jointly be directed otherwise in writing by Sellers and Purchaser or by a final judgment of a court of competent jurisdiction.

5. Escrow Agent is fully protected in relying upon any written notice, demand, certificate or document which it, in good faith, believes to be genuine.

6. Escrow Agent shall not be required to institute legal proceedings of any kind and shall not be required to defend any legal proceedings which may be instituted against it.

7. If Escrow Agent at any time, in its sole discretion, deems it necessary or advisable to relinquish custody of the Escrow Document, it may do so by delivering the same to any other escrow agent mutually agreeable to Sellers and Purchaser and if no such escrow agent shall be selected, then Escrow Agent may do so by delivering the Escrow Document (a) to any bank or trust company in Wilmington, Delaware, which is willing to act as escrow agent thereunder in place and instead of Escrow Agent or (b) to the clerk or other proper officer of a court of competent jurisdiction as may be permitted by law within Wilmington, Delaware. The fee of any such bank or trust company or court officer shall be borne jointly and severally by Sellers

and Purchaser. Upon such delivery, Escrow Agent shall be discharged from any and all further responsibility or liability with respect to the Escrow Document except as herein provided.

8. The Escrow Agreement shall not create any fiduciary duty on Escrow Agent's part to Sellers or Purchaser or any of their respective affiliates, nor disqualify Escrow Agent from continuing to represent Sellers or any of their affiliates in bankruptcy or generally or in any dispute or transaction or other matter with Purchaser or any of its affiliates including, without limitation, any dispute with respect to the Purchase Agreement or this Agreement.

9. The out-of-pocket expenses paid or incurred by Escrow Agent in the administration of its duties hereunder, including, but not limited to, all counsel and advisors' and agents' fees including, without limitation, counsel fees under paragraph 4 hereof, and all taxes or other governmental charges, if any, shall be paid jointly and severally by Sellers and Purchaser.

10. Sellers and Purchaser, jointly and severally, hereby indemnify and hold Escrow Agent harmless from and against any and all loss, damage, tax, liability and expense that may be incurred by Escrow Agent, arising out of or in connection with its acceptance of appointment as Escrow Agent hereunder, or the performance of its duties pursuant to this Agreement, including all legal costs and expenses of Escrow Agent defending itself against any claim or liability in connection with its performance hereunder.

11. All notices, requests, demands and other communications hereunder shall be in writing, with copies to all the other parties hereto, and shall be deemed to have been duly given (i) when delivered, if by hand, (ii) when delivered, if sent by Federal Express or other overnight courier service, or (iii) five days after the mailing thereof by first class registered or certified mail, return receipt requested, postage prepaid, as follows: (a) if to Purchaser, to unXis, Inc., c/o MerchantBridge & Co, Ltd., Knowsley House, 173-176 Sloane Street, London SW1X 9QC, UK, Attention: Eric le Blan, with a copy to Bryan Cave LLP, 1290 Avenue of the Americas, New York, NY 10104, Attention: Alan S. Pearce, Esq., (b) if to Sellers, to The SCO Group, Inc., 355 South 520 West, Suite 250, Lindon, UT 84042, Attention: Mr. Jeffrey F. Hunsaker, with a copy to Berger Singerman, P.A., 350 East Las Olas Blvd., Tenth Floor, Ft. Lauderdale, FL, 33301, Attn: Arthur J. Spector, Esq., or in any case to such other address as a party may determine by delivery of notice pursuant to this paragraph 11.

12. This Agreement shall be construed and enforced in accordance with the law of the State of Delaware applicable to contracts entered into and performed entirely within Delaware.

2) Veritas and Symbios source licenses are limited to support of UnixWare - e.g., OEM reselling UnixWare and wanting to provide customer support. We cannot license this source for any other purposes

3) Binary distribution of our license manager does not make sense - it is of value only for our product, and for use with licenses sold by SCO

4) Source code to the SGI NFB graphics driver can only be delivered for use in creating a product that is compatible with a SCO UnixWare Operating System.

Third Party Software included in the Mobility Products and Me Inc. Products are open source with no royalties due.
