* An asterisk following the Reason Code indicates that the data presented has been manually updated at some time since inception.

General Securities gain/loss information presented for sales through 4/25/03 uses "High Cost" cost basis. Sales after 4/25/03 uses "First In First Out" (FIFO) cost basis unless shares were specified at the time of the sale (closing transaction). This information does not include wash sales, holding period and other adjustments to basis and therefore is not appropriate for use in calculating gain or loss on IRS Form 1040, Schedule D. Please refer to your monthly statements and consult your tax advisor to identify transactions that may affect your basis.

Cost basis values displayed are estimated and may not be available for all positions. Entering past transaction information or making other updates to the history of an investment position may change the amount of overall gain/loss for this position. Consult a tax advisor regarding the reporting of any gain/loss information for tax purposes.

~ Transactions entered today will be reflected in the cost basis values displayed on the next business day.
